The Friends of the Adrian District Library work in cooperation with the Library Director and staff and with the Adrian District Library Board. Our purpose is to create a permanent endowment for the library, promote the importance of the library to the community, increase awareness of the resources offered by the library, and raise funds for library projects.

The Friends, formed in 2012, is a 503(c)(3) organization staffed by volunteers.

We are a member of the Friends of Michigan Libraries
